Lingualogic English Summer Camp in La Sella is fun, dynamic and enjoyable for children from 4 to 18 years. Our residential course lasts for three weeks and classes and activities are from Monday to Friday. Our non-residential courses are for 1, 2 or 3 weeks.

Our teachers are qualified, experienced and use effective modern techniques to create interesting and dynamic lessons. Students are assessed on the first day and placed in groups according to ability with an average of 10 students in each class.

A careful balance of activities is designed to improve the students' English communication skills in reading, writing, listening and speaking. Our main objective is to encourage all our students to converse in English at every opportunity.

Our experienced teachers are carefully selected and have a wide range of the latest resources available to use to make the classes more interesting and effective.
